It was subdivided into four sections, which were given out for treatment to members of our Board - the first division, that relating to the history, varieties, chemical composition and statistics, having been assigned to myself. It is, I assure you, a broad and intricate theme, demanding for its satisfactory presentation greater ability than I have ever laid claim to; and in the time I am to occupy, I can only glance at the points involved. The gentlemen who are to follow me to-day and to-morrow, each have most important divisions of this subject to present to you; and they have indicated to me in the correspondence we have found it necessary to have upon the matter, that they each had the most difficult part of this great subject assigned to them - an evidence of the vastness of any one of the branches of our agriculture, which only presents itself in its magnitude and importance, whenever we sit down to thoughtfully and persistently study it. As for myself, I need to ask your indulgence beforehand, and if I make mistakes, you will be so good as to acknowledge I go astray in good company, and belong to a large and quite respectable portion of the community. And first,...
