The Medical Discoveries of Edward Bach, Physician

By Nora Weeks

Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, The Medical Discoveries of Edward Bach, Physician, Nora Weeks, In 1912 Edward Bach qualified as a medical doctor and embarked upon a career which not only had a profound effect on medical science, but brought to ordinary people the world over, a simple, safe and effective system of healing. Dr. Bach made a detailed study of bacteriology, immunology and homeopathy and found a clear connection between chronic disease and negative mental attitudes. It was the relationship between mind and body which formed the basis of his further research and as he became increasingly convinced that emotional harmony was the key to good health, he was determined to find a simple, non-invasive and harmless method of healing which could be used safely by everyone. The Medical Discoveries of Edward Bach tells how Dr. Bach's work developed, from his childhood hopes and dreams of a healthy society, to the discovery of a complete system of 38 natural remedies which address all aspects of human nature, emotional outlook and personality. Edward Bach was an eminent physician whose remarkable contribution to medicine, healing and humanity has yet to be fully realised.

Reviews

Unquestionably, this is the greatest job by any author. It really is simplistic but shocks inside the fifty percent in the book. I am just pleased to inform you that here is the greatest book i actually have go through within my own existence and could be he greatest ebook for at any time.

-- **Elva Kemmer**

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

-- **Nannie Lindgren Jr.**
