SILVER (HARDBACK)

BRITISH MUSEUM PRESS, United Kingdom, 2009. Hardback Condition: New. Language: English . Brand New Book. Silver has been mined and worked for some six thousand years, but it was not the earliest precious metal to be discovered by humans. Gold came first, and the skills of metal-working had already been developed before silver became significant. Silver is an element, and is usually found with other metals such as gold, tin, copper or lead. It has special properties which make it..
