Unlike the Rosicrucian manifestos, which address the transformation of society, the Chemical Wedding is concerned with the inner transformation of the soul. It is a deeply interior work, one which asks the reader t step into its world of symbols and walk with Christian Rosendreutz along his path of transformation"-from insert. Joscelyn Godwin, a scholar of the western mystery tradition, did an outstanding translation. Adam McLean, (who's alchemical website is a must see), in his introduction and commentary, elucidates the history of the text and the nature of the symbolism. A title in the 'Magnum Opus Hermetic Sourceworks" series. Rare in hardback and highly collectable.
