Warchild: Pawn (Paperback)

By Ernie Lindsey

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The world ended long before Caroline Mathers was born, but that doesn't mean life stops for the fourteen-year-old army scout for the People's Republic of Virginia. Abandoned by her parents, raised by her grandfather, she slinks through the forests surrounding her encampment, monitoring the woods for nomadic bands of criminals known as Republicons, all while keeping a watchful eye on her northern enemies from the Democratic Alliance. It's a hard life, but a simple one, at least until the day Caroline hears the sound that everyone dreads: distant drums echoing throughout their quiet valley, pounding to the beat of the war rhythm. With some help from two unlikely allies, Caroline leads her people in a breathtaking retreat, praying they'll find salvation in their capitol city. Along the way, haunting dreams may reveal a look into the mystery of her past. The first book of the Warchild series is a powerful, coming-of-age, dystopian thriller full of fast-paced action, tragic choices, and the undeniable strength of the human bond.

Reviews

An incredibly awesome publication with perfect and lucid reasons. It can be written in simple phrases and not confusing. I am just delighted to let you know that this is actually the very best publication I actually have studied during my very own lifestyle and could be the best publication for actually.

-- Paula Gutkowski

The book is simple to read through and easier to understand. I could comprehend everything out of this published e pdf. I discovered this book from my mom and dad advised this pdf to learn.
