

Geological Gleanings.

By -

British Library, Historical Print Editions. Paperback. Condition: New. This item is printed on demand. 36 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Title: Geological Gleanings. Publisher: British Library, Historical Print Editions. The British Library is the national library of the United Kingdom. It is one of the world's largest research libraries holding over 150 million items in all known languages and formats: books, journals, newspapers, sound recordings, patents, maps, stamps, prints and much more. Its collections include around 14 million books, along with substantial additional collections of manuscripts and historical items dating back as far as 300 BC. The GEOLOGY collection includes books from the British Library digitised by Microsoft. The works in this collection contain a number of maps, charts, and tables from the 16th to the 19th centuries documenting geological features of the natural world. Also contained are textbooks and early scientific studies that catalogue and chronicle the human stance toward water and land use. Readers will further enjoy early historical maps of rivers and shorelines demonstrating the artistry of journeymen, cartographers, and illustrators. The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping...

Reviews

Complete guide for publication fanatics. It is full of knowledge and wisdom You will not really feel monotony at any time of your respective time (that's what catalogues are for about should you question me).

-- **Arely Dare**

This kind of publication is every little thing and taught me to look ahead of time and a lot more. It is packed with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.
