

## My First Hiragana Activity Book (Paperback)

By Yuko Green

Dover Publications Inc., United States, 2000. Paperback. Condition: New. Language: English . Brand New Book. This entertaining and instructive activity book introduces English-speaking children to simple words in the Japanese language. Japanese youngsters just beginning to read and write also will find the easy-to-follow book helpful. Spaces are provided for drawing each hiragana symbol with one, two, or three strokes. Forty-six characters make up the basic Japanese hiragana, or alphabet, with each symbol of the hiragana depicting a syllable rather than a single letter. With these 46 characters, you'll be able to write hundreds of words in Japanese -- from ahiru (duck), ame (candy) and atama (head) to yuki (snow), yuri (lily), and yubi (finger). For each character, there is a selection of ready-to-color illustrations of items whose names begin with that character -- more than 330 words in all -- along with the word in Japanese characters. A separate list accompanies the Japanese word with a transliteration and an English translation. The book also lists 58 hiragana modified syllables used to form thousands of additional words.
