Kimberly Short was a talented sixteen year old with a bright future ahead of her. When her bloodied body is found near the river s edge, the whole town is ready for revenge. For the two boys found next to her, proving their innocence would cost more than they knew. With a prosecutor up for re-election and the media hovering like vultures, the police need to find the truth before someone else gets hurt. Assistance, when it came, would come in the form of a reluctant psychic with a ghostly scar. What happened that day, on the banks of the river, would change the lives of everyone in the small town. For some, life would be broken, never to return to the peaceful existence of day to day life. Opinions would divide a community and controversy would settle in. Rumors would fly and conversations in the coffee shops would center on what had actually happened that day. When the facts started to surface, no one could have guessed where the truth would lead. From innocence lost to a cold blooded killer in disguise, only the river bank could give the answers everyone was looking for.
