ENGLISH SKILLS INTRODUCTORY BOOK (PAPERBACK)

SCHOFIELD SIMS LTD, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Schofield Sims English Skills provides regular graded practice to develop pupils literacy skills at Key Stage 2. Fully in line with the requirements of the National Curriculum for English, the series comprises seven pupil books with accompanying answer books, as well as a single teacher s guide. Key areas are constantly revisited, giving pupils the intensive and rigorous practice that is essential to embed learning and prepare for the Key Stage 2 national tests. The English Skills pupil books each contain 36 one-page tests featuring Warm-up exercises, Word work questions covering spelling, word structure and vocabulary and Sentence work questions covering grammar, punctuation and sentence formation. At the end of each section a Writing task encourages children to apply what they have learnt in their own writing, while a Proofreading task further reinforces learning. Additional features include a glossary to support the confident use of literacy terms and a progress chart to allow pupils to monitor their own skills. The English Skills Introductory Book revises topics from the Key Stage 1 curriculum and is suitable for use with children nearing the end of Key Stage 1 or as part of a catch-up programme at the beginning of Key Stage 2. Topics covered include: sentence formation and punctuation; compound nouns; verb tenses; commas in a list; common suffixes; alternative spellings of letter sounds; and common spelling patterns. The accompanying answer book, English Skills Introductory Book Answers (ISBN 9780721714035), contains answers to all the questions in the English Skills Introductory Book and the single Teacher s Guide (ISBN 9780721714165) contains further guidance and resources to help children practise and develop literacy skills. A selection of free supporting downloads is also available from the Schofield Sims website.
