Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Writewood Creations, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The first in a three-book series based on the classic romantic novel, Wuthering Heights by Emily Bronte. Unaware that she is dead, Cathy raps on the window of her old bedroom to rouse Heathcliff to let her in. She has found her way home at last after getting lost on the moor coming from Thrushcross Grange. But so much has changed and Heathcliff's is not the face she sees at the lattice window. As Cathy sets out to find him, she remembers their love and the cruel twists that split them apart. In the meantime, Emily Bronte is visited by a publisher's representative named Mr. Dawson who is tasked with advising Ellis Bell to revise his novel. Shocked at finding the creator of Heathcliff is the painfully shy daughter of the local curate, Dawson demands answers. To fight for the life her original vision, Emily must reveal the source of her disturbing inspiration--a revelation that astonishes Mr. Dawson.
