WHITE FANG (1906). BY: JACK LONDON: NOVEL (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. White Fang is a novel by American author Jack London (1876-1916) - and the name of the book's eponymous character, a wild wolfdog. First serialized in Outing magazine, it was published in 1906. The story takes place in Yukon Territory and the Northwest Territories, Canada, during the 1890s Klondike Gold Rush and details White Fang's journey to domestication. It is a companion novel (and a thematic mirror) to London's best-known work, The Call of the Wild, which is about a kidnapped, domesticated dog embracing his wild ancestry to survive and thrive in the wild. Much of White Fang is written from the viewpoint of the titular canine character, enabling London to explore how animals view their world and how they view humans. White Fang examines the violent world of wild animals and the equally violent world of humans. The book also explores complex themes including morality and redemption. White Fang has been adapted for the screen numerous times, including a 1991 film starring Ethan Hawke. Plot: The story begins before the three-quarters wolf-dog hybrid is born, with two men and their sled dog team on a journey to deliver a coffin to a remote town named Fort McGurry in the higher area of the Yukon Territory, Canada. The men, Bill and Henry, are stalked by a large pack of starving wolves over the course of several days. Finally, after all of their dogs and Bill have been eaten, four more teams find Henry trying to escape from the wolves; the wolf pack scatters when they hear the large group of people coming. The story then follows the pack, which has been robbed of its last prey....
