CANONGATE, United Kingdom, 2011. Hardback. Condition: New. Ricardo Cortes (illustrator). Main. Language: English . Brand New Book. Go the F**k to Sleep is a bedtime book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, California Book Award-winning author Adam Mansbach's verses perfectly capture the familiar and unspoken tribulations of putting your little angel down for the night. In the process, they open up a conversation about parenting, granting us permission to admit our frustrations, and laugh at their absurdity. With illustrations by Ricardo Cortés, Go the Fuck to Sleep is beautiful, subversive, and pants-wettingly funny. A book for parents new, old, and expectant. You should NOT, however, read it to your children.
