Dodo Press, United Kingdom, 2008. Paperback. Condition: New. Illustrated. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Estelle May Hurl (1863-1924) was the author of The Madonna in Art (1898), Raphael (1899), Jean Francois Millet (1900), Michelangelo (1900), Correggio (1901), Child-Life in Art (1901), The Bible Beautiful (1908), Sir Joshua Reynolds, Van Dyck, Rembrandt and Tuscan Sculpture of the Fifteenth Century. The object of this collection of prints is to introduce the student to Raphael through the pictures which appeal directly to the imagination with some story interest. With this characteristic as the leading principle of choice, the variety of subjects is perhaps as wide as the conditions admit. No attempt is made to represent all the sides of the painter s art; his portraits are ignored and his Madonnas inadequately represented, in order to give place to pictures which awaken as many points of interest as possible. Within these narrow limits Raphael, as an illustrator and a composer, is even in these few pictures clearly represented.
