iUniverse, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.After many years of struggle trying to understand what it was that God wanted me to do with my life, I came to the realization that we are all given different gifts and that God will lead us to do His Will if we place our total trust in Him. I have always prayed all the regular prayers that I was taught while growing up, and I read many booklets that contained wonderful writings from other people. These were all sufficient at the time and fulfilled my need for prayer. As my spirit grew with love for God so was the need for other kinds of prayer. And not knowing where to find it I began to talk to God, just to talk to Him, and pour out my love for Him as if He was standing right in front of me. As a result, my love for Him grew stronger and stronger, and my need to tell Him how I felt grew as well. In the last few years, I decided to put in writing my prayers and to share with others the great gift of love I have received. Every prayer is a testament of love, and humility. I hope that you, dear reader, are inspired by them and feel the same love that I felt, when I wrote these Prayers With Love will help you to attain eternal salvation - by dying sincerely repentant and, therefore, in the State of Grace. Be mindful at all times that: For many are called, but few chosen. (Matt. 20:16, 22:14). (Douay- Rheims, the true Holy Bible.).
