Katy and Clover Carr, sitting with their sewing on the door-steps, drew in with every breath the sense of spring. Who does not know the delightfulness of that first sitting out of doors after a long winters confinement It seems like flinging the gauntlet down to the powers of cold. Hope and renovation are in the air. Life has conquered Death, and to the happy hearts in love with life there is joy in the victory. The two sisters talked busily as they sewed, but all the time an only half-conscious rapture informed their senses, the sympathy of that which is immortal in human souls with the resurrection of natural things, which is the sure pledge of immortality. This item ships from La Vergne, TN. Paperback.
