While my little story indeed begins on a cold baseball diamond one early spring day in my beloved Chicago. It does segway into a love story. Not a love story of the pulp fiction type. Just a peek at what life is really all about. After all - it s all about L-O-V-E! One young man s longing for the love and companionship of an elusive young woman. This woman has more than one mission in her young years. She is more driven by her devotion to a loving Mother.a widow.who is in her dying days. and in need of loving care.as well as a devout dedication to her church and her God. Mantilla Lady; is much less of baseball and far more of people and places. There s beautiful music on most every page and most importantly, a Love Story is hiding between these covers.
