Her daughter Judy is placed in the loving care of foster parents before being callously given to Mario and Rosella Romano for adoption on her first birthday. Reoccurring visions and fantasies of her birthmother plague Judy's consciousness for three decades until a life-changing passage into adulthood causes her to question why she was abandoned. What begins as a simple investigation into her medical and ancestral history slowly evolves into a passionate quest to discover her roots. Through good timing, perseverance, and a few small miracles, Judy eventually solves the mystery of her origins. But will the woman she has been seeking welcome Judy back into her life? About the Authors Judith and Martin Land live in Colorado and Arizona. They told the entire story of Judith Land's adoption, from her birth through adulthood, to provide the reader with unique insights into the mind of an adoptee at various stages of her life.
