

Do You Really Want to Meet a Pterosaur? (Paperback)

By Annette Bay Pimentel

Amicus Ink, 2017. Paperback. Condition: New. Daniele Fabbri (illustrator). Language: English . Brand New Book. New titles in our popular animal series introduce young readers to five dinosaur species plus a family of flying prehistoric reptiles (the Pterosaurs). In each book, a child explorer travels back in time to meet these incredible animals and shares his or her experiences, which are based on fossil finds. Delightful illustrations and carefully crafted text help the stories come alive, making these books both educational and entertaining. A young child adventures back in time to 80 million years ago to meet the Pteranodon, one species of pterosaur, and learns what they ate, how they laid eggs, and how they lived with dinosaurs. This illustrated narrative nonfiction title includes a map of fossil findings, glossary, and further resources.

Reviews

This book is indeed gripping and fascinating. It normally is not going to price a lot of. I am very easily will get a delight of reading a created pdf.
-- **Albertha Cartwright**

This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.
