Excerpt from Description of Tax Bills Relating to Incentives for Savings and Investment: Scheduled for a Hearing Before the Subcommittee on Savings, Pensions, and Investment Policy of the Committee on Finance on May 4, 1981 The Subcommittee on Savings, Pensions, and Investment Policy of the Senate Committee on Finance has scheduled a hearing on May 4, 1981, on 10 bills relating to the tax treatment of certain income from savings and investment. This pamphlet, prepared in connection with the hearing, contains four parts. The first part is a summary of the ten bills scheduled for the hearing. The second part describes the present law treatment of capital gains and three bills (S. 75, S. 145, and S. 457) which would reduce the tax on capital gains. The third part describes S. 936, which would provide for the separate computation of tax on savings and investment income. The fourth part describes the present law treatment of dividend and interest income and six bills (S. 141, S. 142, S. 155, S. 330, S. 492, and S. 819) that would reduce taxes on dividend or interest income.
