

Curbside Consultation in Hip Arthroplasty: 49 Clinical Questions (Paperback)

Ву-

SLACK Incorporated, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. Are you looking for concise, practical answers to those questions that are often left unanswered by traditional hip arthroplasty references? Are you seeking brief, evidence-based advice for complicated cases or controversial decisions? Curbside Consultation in Hip Arthroplasty: 49 Clinical Questions provides quick answers to the thorny questions most commonly posed during a curbside consultation between orthopedic surgical colleagues.Dr. Scott Sporer has designed this unique reference which offers expert advice, preferences, and opinions on tough clinical questions commonly associated with hip arthroplasty. The unique QA format provides quick access to current information related to hip arthroplasty with the simplicity of a conversation between two colleagues. Numerous images, diagrams, and references are included to enhance the text and to illustrate the management of the hip. Curbside Consultation in Hip Arthroplasty: 49 Clinical Questions provides information basic enough for residents while also incorporating expert advice that even high-volume clinicians will appreciate. Practicing orthopedists, orthopedic residents, and non-physician personnel will benefit from the user-friendly and casual format and the expert advice contained within. Some of the questions that are answered include: How do you treat a young patient with severe hip...

Reviews
