

A World Gone Mad

By Astrid Lindgren

Pushkin Press Okt 2016, 2016. Buch. Condition: Neu. Neuware - As one of the world's most famous children's writers, Astrid Lindgren championed the qualities of courage, hope, love and resistance; and her preoccupation with these qualities was already in evidence in the diaries she kept during the Second World War, long before she achieved her fame. In her diaries, published in English for the first time, she asks questions which are as keenly and distressingly important today as they were in 1939-45: What is Good, what is Evil What do we do, when jingoism and racism determine the thoughts and actions of humans How can we, as individuals, take a stand against such malevolent forces Alongside the day's political events, Lindgren's intelligent and perceptive diaries include charming and moving descriptions of her domestic life, as well as of her first writing attempts: it was during this terrible period that she composed Pippi Longstocking, one of the most famous, enduring and widely translated children's books of the twentieth century. 235 pp. Englisch.
