GETTING TO KNOW YOU (HARDBACK)

North Atlantic Books,U.S., United States, 2007. Hardback. Condition: New. Language: English . Brand New Book. Medical acupuncture stands out among the alternative health modalities for ease of use, cost-effectiveness, and applicability to a wide range of conditions. In Getting to Know You, Dr. Joe Helms uses down-to-earth language to help readers make the best use of this treatment. He clearly identifies what sorts of problems respond best to medical acupuncture and distinguishes between constitutional characteristics and early indicators of health conditions. Getting to Know You features real-world patient cases in medical acupuncture and promotes applied learning throughout, inviting readers to identify traits and symptoms they see in themselves. To this end, Dr. Helms provides a list of questions to clarify the reader s dominant type. For each type, guidelines are presented with common-sense changes to promote optimal health. The book conveys a wealth of complex medical information in simple terms, including elusive classical acupuncture models such as the circulation of energy and the five phases of treatment. A useful appendix further highlights acupuncture s benefits, while a reference list makes it easy to find practitioners in the U.S.
