Such visions, largely shaped by Hollywood pictures such as the popular Pirates of the Caribbean franchise, naturally fail to do full justice to a group of men who functioned, with little direction and even less support, on the seas for years at a time. Disney may enjoy portraying them sitting down to sumptuous feasts or cavorting with scantily clad native girls, but the opposite was true; the men were almost always hungry, with even the best meals consisting of little more than bread, beans, and a bit of meat on the side if the voyage was still in its early days. Likewise, those stranded on islands were not met by pretty native girls bearing coconut cream pies but instead cold and wind and an...
