The Disease of the Health Wealth Gospels

By Gordon D. Fee

Regent College Publishing, US, United States, 2006. Paperback. Book Condition: New. 208 x 136 mm. Language: English . Brand New Book ***** Print on Demand *****.Does God will that the true believer in Christ be in good physical health? Is a Christian promised good financial health by virtue of his or her faith in Christ? If the Christian does not experience these blessings, must we assume that he or she is outside the will of God? Gordon Fee provides a provocative discussion and a direct challenge to all who struggle with these issues. Perhaps no other issues more directly affect the lives of professing Christians as do the issues of health and wealth and their relationship to the will of God. In Disease of the Health Wealth Gospels, Dr. Gordon Fee looks at the treatment of these two themes as frequently found in popular Christian teaching. Based on solid exegesis of the Scriptures, looking at each theme separately, this book suggests that there may be yet a more excellent way in viewing these emotionally charged issues. Gordon D. Fee is Professor Emeritus of New Testament Studies at Regent College, Vancouver, British Columbia, and an ordained minister of the Assemblies of God....

Reviews

This ebook will never be straightforward to get started on looking at but really fun to read. It is amongst the most incredible publication i have got read through. I realized this pdf from my i and dad encouraged this publication to learn.
