Mom Has Cancer!

By Jennifer Moore-Mallinos, Marta Fabrega

Barron's Educational Series. Paperback / softback. Book Condition: new. BRAND NEW, Mom Has Cancer!, Jennifer Moore-Mallinos, Marta Fabrega, The sensitively written "Let's Talk About It Books" encourage preschool-age and early-grades children to explore their feelings, deal with problems that trouble them, and understand others who have problems of their own. Each title speaks to a particular concern that children might encounter in the course of growing up. All books in this series have appealing color illustrations on every page, and are available in both English and Spanish language editions. A short section at the back of each book offers related advice to parents. This book points out that a diagnosis that Mom has cancer is as frightening for her children as it is for her. The story describes such a situation, helping kids understand how Mom requires special medical care on her path toward regaining health.

Reviews

This publication will never be effortless to begin on studying but extremely entertaining to learn. It is probably the most incredible publication I have gone through. I realized this ebook from my mom and dad suggested this publication to learn.

A really wonderful book with perfect and lucid information. I actually have studied it and I am sure that I am going to go back and read it once more yet again in the future. I am pleased to explain how this is actually the finest ebook we have studied inside my personal daily life and might be the finest book for at any time.
