Reviews

It is just one of the most popular ebooks. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).

(Matteo Torp)

Carcenet Press Ltd. Paperback. Book Condition: new. BRAND NEW, Misprint, James Womack, 'The only end of writing,' Dr Johnson said, 'is to enable the readers better to enjoy life, or better to endure it.' "Misprint" offers the reader countries and languages perceived through the eyes of youth and loss. Untimely deaths and memories of far-off lands abound, some dreamed, some lived. In this first collection, James Womack plays with ideas of tradition, lightly conjuring heavy themes, and makes a bow to pulp culture. He ferries us between Russia, Spain and North Korea and the differently 'real' virtual environments of film, dream, ghosts, the North Korean Press Agency. 'Eurydice', the concluding sequence, draws the different strands of the collection together. We end up dislocated: bewildered but rather happier about the future. As Mr Edwards said to the Great Cham: 'I, too, Sir, in my time have tried being a philosopher; but somehow cheerfulness kept creeping in.'
