New York University Press. Paperback. Book Condition: new. BRAND NEW, Grandmothers at Work: Juggling Families and Jobs, Madonna Harrington Meyer, Young working mothers are not the only ones who are struggling to balance family life and careers. Some simply want to do this; others do it in part because they have more security and flexibility on the job than their daughters do at their relatively new jobs. Many are sequential grandmothers, caring for one grandchild after the other as they are born, in very intensive forms of grand mothering. Some also report that they are putting off retirement out of economic necessity, in part due to the amount of financial help they are providing their grandchildren. Finally, some are also caring for their frail older parents or ailing spouses just as intensively. Most expect to continue feeling the pinch of paid and unpaid...
