Duke University Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. A special issue of GLQ: A Journal of Lesbian and Gay Studies Futurity, innocence, and childish subversion-as concepts, as frameworks-have yet to catch up to where the child has moved in the present century. The contributors to this issue explore topics that are both vital and challenging for current queer studies, including paradoxical exportations of the U.S. innocent child abroad, the queer child under same-sex marriage law, child revolutionaries actions in Egypt, and the colonial afterlife of the boarding school for indigenous children. Following the twists and turns of children now, contributors confront how race, gender, and sexuality are made to live and grow in children s bodies. Contributors Paul Amar, Julian Gill-Peterson, Clifford J. Rosky, Rebekah Sheldon, Kathryn Bond Stockton, Mary Zaborskis.
