Miracle Yoga Services, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In Aesop's fable a fox comes across grapes that are so high he cannot reach them, so he walks away muttering that they must be sour grapes. Likewise, many beginning students find no nourishment in A Course in Miracles because they cannot grasp its lofty spiritual principles. The Course presents spiritual principles in a Western framework, yet includes important Eastern influences along with deep psychological insights. Many seekers have transformed their lives through learning the Course and applying its principles. Nevertheless, newcomers won't want to study the three volumes and the 1249 pages of the Course unless they know it will be worth spending the time and effort required. Furthermore, the beginner invariably needs practical help in actually comprehending the Course. After all, the Course quite literally turns the normal perceptual thinking process upside down by offering surprising and profound answers to the most meaningful questions of life. If you are a beginner, this overview comes to your aid by letting you know in advance that the spiritual principles can be grasped and are as nourishing as sweet grapes, as they weave together to unify and heal the mind. This introduction to the Course helps you by providing clarity and conciseness, enabling you to make the difficult step-by-step transition to a new way of thinking about the world and about yourself. This overview prepares you for studying and applying the Course, which teaches how to perform miracles of changing fearful perceptions into loving perceptions. Your mind can find peace and wholeness through practicing true forgiveness that reminds you of the divine presence within others and within yourself. This brief introductory overview provides an inexpensive and efficient way for you to determine...
