This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

QUICK SALES TIPS: PRACTICAL ADVICE, IN BITE SIZED PIECES

B2B Sales Connections, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. Quick Sales Tips is a collection of little ideas to help you realize your sales potential. Simply put, this is practical advice, in bit sized pieces. Whether you are an entrepreneur marketing your own products and services, or a direct sales representative servicing your assigned sales territory, this book will improve your skills so you will sell more. They are in no particular order, just a random collection of over 100 tips to help you achieve your sales potential. When we started the company, B2B Sales Connections, a number of years ago, we realized that one of the best ways to improve people s sales skills was to distribute a monthly sales newsletter filled with sales tips, techniques, and best practices. The glowing feedback we received from the readers of AIM HIGHER was overwhelming and our subscriber quickly grew, as it continues to do so today. One of the most popular sections of the newsletter has always been our monthly quick sales tip, dating all the way back to our first edition. It was when one subscriber wrote us and said, . . if sales folks would follow your sales tip of the month every day.their life would change we decided to put all our best tips in one place and the idea for this book was born. Quick Sales Tips is based on over 50 years of successful B2B sales and sales management expertise. It is a collection of our own personal sales techniques, as well as other successful sales professionals we have been lucky enough to work with over the years. They are in no particular order, just a random collection of over...
