

## Encrypted (Full Color): A Fresh Look at God, How He Functions and Communicates. (Paperback)

By E G Menzies

Menzies and Company, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In ENCRYPTED the author explores how God communicates to individuals in ways that only the individual desired for the message, gets it. He looks at how the individual can also communicate to God in a manner that only God understands, no matter whom else hears what is being said. In exploring this philosophy, the writer brings out numerous interesting arguments and discusses several Christian principles. Some of such principles have been misunderstood by many, some undervalued and yet some that have been taboo in some religious circles over the years. The book shares many provoking thoughts that will enrich the lives of its readers. It is a good read, written in simple language. E. G. Menzies uses contemporary, often relatable illustrations to bring across his points. The author intermingles technological, scientific and biblical concepts to show validity of his explanations. It is a fresh approach that makes one often go, ummh! Among the many topics discussed are those about prior association (everything we do has prior influence), there is nothing new under the sun and the epitome of every human...
