Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Scrupulosity: Reportedly 1.) A psychological disorder, with possible pathological guilt over moral or religious issues. 2.) An obsessive compulsive disorder (OCD). For me, the author of this book, I have broken the subject down into four categories and it helps me to additionally think of Scrupulosity as an obsessive addiction. I offer this information only as my personal exploration of Scrupulosity and not professional advice.
