### **Reviews**

*Completely essential go through book. I actually have go through and i am sure that i am going to going to read yet again yet again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Andersen Press Ltd. Paperback. Book Condition: new. BRAND NEW, Tusk Tusk, David McKee, Once elephants came in two colours: black or white. They loved all other creatures - but each set wanted to exterminate the elephants that were not the same as themselves. Peace-loving individuals ran and hid in the deepest jungle, and battle commenced. The war-mongers all succeeded. For a long time it seemed that there were no elephants in the world at all, not of any colour. But then the descendants of the peace-loving ones emerged from the jungle, and by now they were all grey.
