Institute of Southeast Asian Studies. Paperback. Book Condition: new. BRAND NEW, ISEAS Perspective: Selections 2012-2013, Ooi Kee Beng, The Institute of Southeast Asian Studies (ISEAS) launched its electronic publication ISEAS Perspective in mid-2012. During its first year in existence, 58 internally reviewed issues were produced. These were distributed in steady fashion by email to addresses registered with the Institute. However, ISEAS has deemed it a worthy public service to have selected articles from that first year published in a single printed volume at cost price. Articles herein were chosen according to strict criteria such as analytical strength; continued salience of the subject discussed; referential potential; literary quality in general; et cetera. ISEAS intends to print such annual selections in the coming years, and is certain that readers will find them informative and stimulating.
