The qualities in a man that I like include spanking, biting, rough sex, mental dominance, bondage and discipline. I want someone to intimidate me by using his looks, by his actions, gestures, playing mind games and making me feel guilty. I want someone to make all the decisions for me, to be the king of the castle: ) I can be bratty at times but I can take the punishments I earn and expect to be punished often! I know what I want and what I like. My man takes a weak woman unable to face the world and teaches her to be a strong woman, weak only to him. I love the sadistic side to a man and enjoy his having total control over me. I like to be taken forcibly and to be forced to serve in general. I am also a lady that makes her living off of being spanked. I love how my butt is almost always warm and marked. I also have a wonderful, though sexually sadist Master who I play with as all this spanking sure makes me horny. My butt can take a lot of abuse and good thing because folks who pay to spank me, really want to get their money s worth. Often they spank me as hard and as long as they physically can. These spankings almost always make me cry. Often I m stripped naked and tied down to a wooden platform for a long, hard strapping and/or paddling. That s usually after they ve first given me a good over their knee spanking. Sometimes two or...
