Createspace, United States, 2015. Paperback. Condition: New. Language: Hindi . Brand New Book ***** Print on Demand *****. Hindi Edition I love a good fight. When unjustly attacked, I have learned to seek the guidance and leadership of the Holy Spirit and retaliate by Overcoming Evil with Good. There is a huge difference between a Peacemaker and a Pacifist ! This Battle Plan for spiritual warfare, gleaned from the life and message of Jesus, especially the Sermon on the Mount and the Beatitudes, was on my heart even before I was kidnapped by terrorists and held hostage under extreme conditions in 1983. Since then, thousands of missionaries, pastors, and other Christians have been kidnapped, murdered, or forced to flee from their places of ministry in rural Colombia. Had these Christians known and understood this battle plan for spiritual warfare, they could have been victorious instead of prematurely suffering defeat. Many who did choose to remain in the path of ever present danger have rallied around this message. A thriving underground church is multiplying in a huge area (about the size of North Korea) in the south and east of Columbia where Bibles, church buildings, formal ministry, and even house meetings have been prohibited for more than 25 years. Severe persecution in rural Colombia has actually served to bring real Christians together in deepening Christian relationships, identify the true church, and cleanse believers from corruption. This has been possible because of the remnant that has been chosen to fight the good fight of faith.
