THE LIFE OF HENRY THE FIFT (PAPERBACK)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this edition of Shakespeare an attempt is made to present the greater plays of the dramatist in their literary aspect, and not merely as material for the study of philology or grammar. Criticism purely verbal and textual has only been included to such an extent as may serve to help the student in the appreciation of the essential poetry. Questions of date and literary history have been fully dealt with in the Introductions, but the larger space has been devoted to the interpretative rather than the matter-of-fact order of scholarship. These general principles are common to the whole series; in detail each Editor is alone responsible for the play or plays that have been intrusted to him. Every volume of the series has been provided with a Glossary, an Essay upon Metre, and an Index; and Appendices have been added upon points of special interest, which could not conveniently be treated in the Introduction or the Notes. The text is based by the several Editors on that of the Globe edition: the only omissions made are those that are unavoidable in an edition likely to be used by young students. By the systematic arrangement of the introductory matter, and by close attention to typographical details,...
