Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from At Shakespeare s Shrine: A Poetical Anthology This is not the first attempt to publish a poetical anthology of those who have paid tribute at Shake speare s Shrine. It is however, though far from complete, the most exhaustive work of its kind yet produced. And an effort has been made to give as representative a selection of poetic tributes from all ages down to the present, as the limits of the volume will permit. Though the information may surprise my readers it would be a comparatively easy task to compile a dozen similar volumes, and then only have touched the fringe of the mantle which clothes the memory of the greatest poet the world has ever known - the divine, the gentle, the immortal Shakespeare. Many of the verses in this volume have been specially composed for insertion herein, others have been sent in response to my request for Poems on Shakespeare in that incomparable and eagerly-welcomed weekly, Notes and Queries, to the editor of which my cordial thanks are due. From the British Museum and the Shakespeare Memorial Library at Stratford on-avon, rare old broadsides and ballads have been unearthed and reprinted in the following pages, and for the kindly and generous assistance rendered to me by Mr. W. Salt Brassington, p.s.a. The Librarian of the latter mentioned place I acknowledge my great indebtedness.
