Lulu.com, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Special teaching for special needs is about taking kids out of the two dimensional world and teaching them in the interactive three dimensional world. My Special Teaching For Special Needs methods can be used by teachers, parents and carers alike for special needs kids and those that may have trouble learning by regular teaching methods. And also for some of those borderline kids that just pass through the school education system. This could help thousands of kids around the world with learning issues. Test the methods yourself as sometimes it gets results in just minutes where regular teaching has received very little. It can make a massive difference for some kids that had trouble with understanding and speaking. It s a huge breakthrough for many kids with learning issues.
