

The Insider Threat: Combatting the Enemy Within (Paperback)

By Clive Blackwell

IT Governance Publishing, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Data Loss Prevention is easier and cheaper than cure - the insider threat poses a significant and increasing problem for organisations. The use of highly connected computers makes controlling information much more difficult than in the past. This is shown by the regular stories of data loss in the media such as the 25 million personal records mailed out by Revenue and Customs in the UK. In addition, we do not know enough about the insider threat, as of course many attacks are unknown to their victims or are not made public. An Insider Attack - this is the execution of a latent threat by an insider to achieve their goals, which usually has a detrimental effect on the organisation. They are often straightforward to perpetrate without detection using their legitimate access or acquiring unauthorised access using their knowledge of system weaknesses to defeat the controls. We need to understand what is valuable to insiders and their likely methods of attack to determine the necessary defensive measures. We believe that the insider threat is a difficult problem that requires systematic...

Reviews

This is actually the finest ebook i have got study till now. I actually have go through and that i am sure that i am going to likely to read once again once again later on. Its been developed in an extremely straightforward way and is particularly simply soon after i finished reading through this ebook through which actually modified me, change the way i really believe.

-- **Mrs. Maybelle O'Conner**

A whole new eBook with a new standpoint. Better then never, though i am quite late in start reading this one. I discovered this publication from my i and dad advised this publication to discover.
