AuthorHouse. Paperback. Condition: New. 276 pages. Dimensions: 8.1in. x 5.0in. x 0.7in. It is not what you know, but who you know that counts. This old cliché is as true today as it was when it was first uttered. According to a recent survey conducted by Drake Beam Morin, Inc. (a large outplacement organization), networking fills 70 percent of professional positions. Networking for a job is the best way to tap into the unpublished job market. NETLIVING 101, Networking Lifes Journey reaches beyond the job market into all aspects of life from the womb to the tomb. Hence the word networking is replaced by my newly coined word netliving. There is currently no book, as indicated by reviewing Books in Print, that shows people how to take advantage of networking techniques used in job hunting to enhance other facets of their lives. NETLIVING 101, Networking Lifes Journey fills that gap by providing all the tools and information readers need to establish networks and have more enjoyable and successful lives. One of the reasons for choosing the title NETLIVING 101, Networking Lifes Journey was because, to the best of my knowledge, no college or university offers a course as part of a curriculum on the subject. In earlier, simpler times when most of the world's population lived in small villages where everyone knew their neighbor, there was no need to build networks for they were already in place. The local church or pub was usually the hub of the network. With the complexity of today's society it has become necessary to make a concerted effort to establish support networks in order to be successful and happy. In this self-help book, ideas, examples and suggestions for netliving are developed through short vignettes based on the lives of real people. Names and...
