Createspace, United States, 2013. Paperback. Book Condition: New. 234 x 190 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is a guide to a realistic approach to achieving your optimum weight, health and wellness goals while never having to feel deprived of the sweet tastes and savory, rich flavors that can bring joy, satisfaction and pure ecstasy! We can be inspired and motivated to explore healthful raw and living food alternatives to traditional and conventional ingredients by delving into the many natural foods, superfoods and superherbs nature gives us. Have you ever dreamed of having the ability to restore your foundational health and well-being? I will take you through my personal journey into the raw lifestyle and share a plethora of my research, resources and tips: * Quality above all! Learn why the quality of a food can be more vital than the food itself. Meaning, the place of origin (where it grows), growing and harvesting conditions (grown organically or wild-crafted) and post-harvesting practices (methods utilized for food-processing and preservation). * You are what you eat! Gain a better understanding of the biochemistry of food and how it directly affects the biochemistry of the human brain and body - health-lifting versus health-leeching. * Live youthfully! Discover the best of the best in superfoods, superfruits and superherbs; including the absolute must have ingredients you will need in your kitchen for preventing and reversing all that contributes to aging. It s never too early, and it s never too late. * Have fun with whole foods! Learn how easy it can be to create living and raw food alternatives to conventional classics. I share well over 250 tried and tested recipes and quick tips to kick-start your journey to rejuvenation. All are as tantalizingly delicious as they...
