NUMERO SPECIAL (PAPERBACK) book.

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Dans les annees 90, la Faculte de Medecine de l Universite Kongo implantee a Kisantu a ete la premiere a imposer la redaction d un travail de fin d etudes (TFE) a ses finalistes en sus du Jury de fin d etudes de medecine. Au fil des annees, les autres facultes de medecine aussi bien privees que publiques ont emboite le pas a la faculte de Medecine de Kisantu, faisant ecole de cette innovation. La richesse et la diversite des abstracts presentes dans ce recueil montrent a quel point les peres fondateurs de la faculte de Kisantu avaient vu juste. Quelques-uns des travaux repertories ici ont deja ete publies sous forme d articles dans des revues a comite de lecture. Cependant, la plupart d entre eux font l objet de citations dans des theses defendues tant au Congo, en Afrique qu ailleurs dans le monde. Un regard panoramique sur ces travaux montre que les sujets explores concernent au plus pres la sante de la population de la province du Kongo central en particulier et celle de la RD Congo en general. Ainsi l Universite Kongo, a travers sa Faculte de Medecine prend sa part dans les efforts de developpement et d amelioration des conditions de vie de nos communautes. Les resultats observes dans le cadre de ces travaux permettent aux praticiens de porter un regard critique sur la qualite de la prise en charge des patients au Kongo central.
