

## Reforma Del Sector Salud En Bolivia: Analisis En El Contexto De La Descentralizacion

By World Bank

World Bank Publications. Paperback. Book Condition: new. BRAND NEW, Reforma Del Sector Salud En Bolivia: Analisis En El Contexto De La Descentralizacion, World Bank, Bolivia has made significant progress in health status and equity in the last decade, due to the implementation of a series of health policies directed primarily at reducing maternal and infant mortality and controlling communicable diseases. These policies include the introduction of a focus on health outcomes in the context of decentralization, the implementation of a public health insurance, the strengthening of vertically-financed public health programs and to a lesser extent, an increase in the size of the sector's workforce and greater participation of indigenous peoples. Health Sector Reform in Bolivia analyzes these policies, draws lessons from their implementation, discusses remaining challenges and provides recommendations in the context of the country's latest policy developments. Findings show that while coverage has increased in almost all municipalities, significant equity gaps remain between the rich and the poor, the urban and rural, and the indigenous and non-indigenous. The analysis suggests that three key issues need to be addressed: first, maintaining the focus on national priorities in the context of the new expanded maternal and child insurance; second, strengthening efforts...
