Actually, cooking or making healthy bread is not difficult and you do not need to be too clever. Of course, the cleverness is always great to create the best foods or bread but if you do not have it, it is still okay. The more important is your passion for what you do. If you have passion, you will be resolute, patient and diligent enough to take care of that passion, to make it develop inside you. Just imagine the facial expression of the people you love when receiving my handmade healthy bread, I must rush into the kitchen and stay there all day without boredom. Don t worry, if I can do it, you can certainly do it too. So, do not hum and haw! Let s open a recipe in Hello! Healthy Bread Land Volume 1 to make your mouth become the place to set up a buffet party!...
