Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Grace Gallion is a 40 year-old woman who had been with Jeff, the taker of her virginity since she was 18 years-old. Married for 16 years, raising three daughters including one with autism, Grace has reached her breaking point. Grace has told her husband she wants a divorce. This story is not as much about her marriage falling apart as much as it tells the story of her trying to find peace, forgiveness, and learn to live life again. Grace deals with enormous guilt and fears for the fallout from the divorce with her family and friends. As told throughout Grace s journey, she has an unusual online friend in Hunter. Extremely handsome, kind, and sexual, is Hunter the friend she needs, the missing man she s yearned for, or a dark and sinister man she should never have known? Grace s journey is raw. The language is at times explicit, and the sexual descriptions are intense. Grace s Christian faith is questioned very personally. This is book one in The Middle-Aged Woman series.
