The Crowood Press Ltd, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book. In this follow-up to the successful Complete Car Modeller 1, Gerald Wingrove takes the aspiring modeller to the next level by describing in detail the process and skills involved in the construction of his world-famous 1/15 scale models. His example subject throughout the book is the fabulous Weinberger Bugatti Royale. The author describes the ideal workshop, the tools for the job and gives an explanation of the best method of acquiring the necessary information on the chosen subject. Materials and skills are detailed, and descriptions of the chief processes by which he interprets in the metal each component of the car and how he painstakingly assembles a true representation of each main sub-assembly. Thus the re-creation of the Royale, including all engine and chassis detail, is revealed step-by-step. Includes full plans for the Bugatti Royale not previously published.
