CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 220 pages. Dimensions: 8.5in. x 5.5in. x 0.6in. John Frasers previous work of fiction to Soft Landing, Hard Places, was a series of novellas concerning physical and moral dilemmas, left unresolved at the expense of the protagonist. This sequel, Soft Landing, is the opposite a novel of quest and adventure, in which scruple is overcome, and demanding or impossible situations have outcomes favourable to the hero. The trail takes us from urban violence to Eldorado, the regime of a bikers club, and the secret finds of a prospectors camp. The last section shows all puzzles solved, and the protagonists return home with gifts. In keeping with the tales sour vision of a crumbling present, the landing though soft, is not pleasant. In Frasers fiction the reader rides as on a switchback or luge of impetuous attention, with effects flashing by at virtuoso speeds. The characters seem to be unwitting agents of chaos, however much wise reflection Fraser bestows upon them; they move with shrugging self-assurance through circumstances as richly detailed and as without reliable compass-points as a Chinese scroll. (John Fuller) This item ships from La Vergne, TN. Paperback.
