

## Saved: Answers That Can Save Your Life

Filesize: 6.12 MB

### ***Reviews***

*This ebook might be worth a read, and superior to other. It is probably the most remarkable book i have got read. Its been designed in an remarkably straightforward way and it is merely soon after i finished reading this publication where really modified me, alter the way i really believe.*

*(Alex Zieme DDS)*

## SAVED: ANSWERS THAT CAN SAVE YOUR LIFE

Createspace, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.While we understand what it means to save someone's life, a task given to policemen, firefighters, doctors and people who know CPR, we aren't quite sure what it means to be saved spiritually. We hear preachers shout the simple five-lettered word into a multi-syllable phenomenon: You must be saved. We see bumper stickers proclaim it. Missionaries confront you with it. Are you saved? It's a good question. It's a big question. It's a tough question. It's the most important question we could ever answer. But what does it mean? *SAVED* answers 25 questions that many ask before they find God—good questions, tough questions—that drown many in doubt and confusion before they find the answers. God offers to save us. Long ago, He jumped into the human race and offered a helping hand to pull us to Himself. And the life He wants to save is yours. *Saved* answers difficult questions such as: What if there wasn't a God? What if there was a God? What if I don't believe? Isn't what YOU believe based on what others have told you? Do YOU have to know the Bible to be saved? Why must I CONFESS? What exactly must I CONFESS? Why do I have to confess with my MOUTH? Was JESUS real? Did JESUS perform miracles? Why was JESUS crucified? IS Christianity the only true faith? What does it mean when I call Him LORD? What does it mean to BELIEVE? Don't we have to BELIEVE and do good works? What does it mean to believe IN YOUR HEART? Is the Trinity one GOD or three? Is...
