HarperCollins Publishers Inc, United States, 2009. Paperback. Condition: New. Original. Language: English . Brand New Book. Even vampires need a vacation. But Decker Argeneau s ends abruptly when he s asked to help hunt the group of rogue vampires targeting mortals -- one that might include a defector in his own family. Before he can worry about that, though, he s got to rescue the latest victim. It s all part of the job, including taking a bullet for a beautiful doctor. Dr. Danielle McGill doesn t know if she can trust the man who just saved her life. There are too many questions, such as what is the secret organization he says he s part of, and why do his wounds hardly bleed? However, with her sister in the hands of some dangerous men, she doesn t have much choice but to trust him. Except now Decker s talking about life mates and awakening a passion that s taking Dani beyond anything she s ever known. Being undead may not be half-bad.especially if it means spending forever with a man who would love her with his mind, body, and immortal soul.
